**12:10 PM** Presentation: ‘The Freedom of Panorama - Protection for Photography in Public Spaces’, by Michelle Pham, Helsell Fetterman LLP

When we view a work of art that captivates us, we may feel a compelling urge to share that image with the rest of the world. With smartphones in our pockets, the potential for infringing activity is higher than it ever before, however “freedom of panorama” protects the right to publish photos and video of artworks in a public space.
