### AGENDA

**12:00 PM** Introduction

**12:10 PM** Presentation: ‘Legal Tech and Infosec’, by Isham Reavis, Aoki Law PLLC

From e-discovery to artificial intelligence, technological advances continue to shape the practice of law. But new technology carries with it risks of leaks, hacks, and inadvertent disclosures of sensitive information. This presentation will discuss some of the new tools and evolving practices we can use to be better lawyers—and also security tips to keep our clients’ information safe.

**1:15 PM** Adjourn

### SPEAKER BIOGRAPHY

**Isham Reavis, Aoki Law PLLC** - Isham Reavis practices complex litigation, criminal defense, and personal injury law at Aoki Law PLLC. In addition to his own cases, he provides litigation technology support in complex federal criminal cases involving offenses such as counterfeiting, investment fraud, wire fraud, and regulatory fraud.

In addition to his legal practice, he serves on the WSBA Court Rules and Procedures Committee, and as co-chair of the King County Bar Association’s Judiciary and Litigation Committee. He is a former member and former chair of the WSBA Editorial Advisory Committee, and writes for NWLawyer magazine. In law school, he was a managing editor of the Washington Law Review.
