### AGENDA

**2:00 PM** Introduction

**2:10 PM** Presentation: 'Dolphin Advocacy: Finally Transition from Litigation to an all ADR Practice', by Shawn Weber, Weber Dispute Resolution

People – including lawyers – are good and wish to do good in the world. So many of us along the way, however, lose connection with our better natures. We are trained to operate in an adversarial model as “sharks”. Learn how to operate from a totally different paradigm as a “dolphin” and finally transition from conflict to a peacemaking practice. Learn how to realign with your better nature, do less harm in your practice, and transition to an all ADR practice.

**3:10 PM** Adjourn
