The Safety of Your Home	Thursday, September 2, 2021	12:00 PM to 1:15 PM	Preparing U.S. Patent Applications for European Scrutiny

AGENDA

12:00 PM Introduction

12:10 PM Presentation: 'Preparing U.S. Patent Applications for European Scrutiny', by Greg Rosenthal, Davis Wright Tremaine, LLP

- Drafting U.S. patent applications for European Examination and scrutiny by European Courts, based on war stories from working in Switzerland as a US patent attorney
- Priority Issues
- Art. 123(2) and the "gold standard" in Europe
- The problem-solution approach applied by the EPO with an emphasis on software patents

1:15 PM Adjourn

SPEAKER BIOGRAPHY

Greg Rosenthal, Davis Wright Tremaine, LLP - Greg has represented companies before the USPTO and EPO in various stages of the patent process including examination, appeals, interviews, oral proceedings, and oppositions. His experience covers a wide range of technological areas, including wireless communication, data security, cloud computing, and medical device. Greg also has experience managing patent litigation spanning the US, Germany, and the UK, and has firsthand experience defending patents at both the PTAB and EPO.
